

Dear Parents and Rising First Graders,

Summer reading is so important and can be fun, too! We suggest reading at least 20 minutes a day. This is an excellent way to maintain and enhance your child's reading skills.

The books listed are on several levels. Let your child read at a level that is comfortable for them. This is only a suggested list. There are many books at the local libraries that are suitable for your child to read.

Please keep a list of the books and send your reading record, with parent signatures, to your new teacher in the fall. Recognition of their efforts will be made at the beginning of the school year.

Have a wonderful summer!

The Primer Team
